

Halifax District Board of Directors Meeting July 6, 2006

Meeting called to order at 6:20pm at the Mickey Finn's in Orange City.

Roll call was taken:

Chairperson—Scott Chambers
Chairperson Elect—Eric Maday
Treasurer—Brian Volkman
Secretary—Kurt Jennings
Member at Large – Jim McRae
Past Chairperson – Ron Freeman

Also in attendance were Ginger Hancock, Wendy Howland and Albert Royster. The old minutes were approved as read and written.

Chairperson's Report:

After discussion about reducing spending at board meetings it was decided that there would be no change at this time. All members are invited to attend meetings if they have business to discuss with food and beverages provided for everyone. Our Webmaster, Sheri Chambers, is considering passing the torch of our website www.halifaxfeha.com to any possible takers. It was discussed about searching for another member to run it, or locate an outside vendor to take over at a small monthly stipend.

Scott's three goals at the start of his chairpersonship were: Education, Community Service and Membership Satisfaction. There were four community service events this year and also educational opportunities for the members. He was concerned about attendance this year at events and a discussion was held as to events for next year.

Committee Reports:

Education: We have two upcoming OSTDS courses, 8/31 and 9/7, and will be looking to put on well and irrigation courses in the upcoming future, as well as our Body piercing course. Eric Maday indicated that he might check into the criteria for being a Certified Pool Operator training provider, and then be able to give that training to members and other pool operators.

Social: Nothing planned in the immediate future, although the Arena Football game in Daytona Beach was quite a fun time for those in attendance. We'd like to get to a Daytona Cubs game before the year is out.

Awards: Jack Towle was awarded the Outstanding Community Service Award for attending all four events. Congrats, Jack.

Treasurer's Report: Eric quipped again, that this was a 'great report' and Jim McRae agreed. Halifax District is in good financial shape.

There was no old business. The new business consisted of creating a newsletter of the year in review for Halifax District to get out to our members to see the events of the past year and to promote our district. Jim McRae volunteered to work on the newsletter. We will continue to donate money to funds/activities that members do that are Public Health or Environmental Health related.

The new Halifax District Board was then welcomed and includes:

Chairperson: Eric Maday
Chairperson Elect: Kurt Jennings
Past Chairperson: Scott Chambers
Vice Chairperson: Wendy Howland
Treasurer: Brian Volkman
Secretary: Ginger Hancock
Member at Large: Monae Bates

The meeting was adjourned at 7:15pm, which may be some sort of record.
